

Engineers

Week

2010

February 14-20, 2010

Greater

Phoenix

Area

The National Society of Professional Engineers has designated Engineers Week 2010 from February 14 to February 20. Engineers Week is an exciting time for engineers and scientists from across the country. Engineers get involved with their communities via national, regional and local programs, carrying on a tradition that began in 1952.

This year, in a continuing effort to make this a valley-wide event, Engineers Week—Greater Phoenix Area will be organized by a committee of professional engineering and science organizations throughout the area. We are planning several exciting events for E-Week 2010.

- ◆ **“Engineers Day” at the Arizona Science Center** - The Center is the perfect venue for engineering societies, university students and industry representatives to set up events designed to excite and interest the visitors of all ages. Past events have attracted large attendances. The date is Saturday February 20, 2010 from 10am to 4pm.
- ◆ **E-Week Awards** - Awards are given to recognize engineers, students, educators and projects that have made outstanding contributions to the profession. The awards celebrate and acknowledge the vital part engineers play in our complex world. Please nominate people and projects that deserve recognition.
- ◆ **Legislative Lunch** - Join your fellow engineers to network with legislators and emphasize the importance of engineering. In conjunction with E-Week, the legislative luncheon will be hosted by ACEC Arizona, AzSCE and APWA Arizona Chapter on Thursday February 18 from 11:30 am to 1:30 pm on the House Lawn of the State Capitol.
- ◆ **E-Week Hosted Awards Reception** - The awards reception will be held on Thursday February 18 at 6pm. There is a new venue for the event this year, it will be held at the Sheraton Downtown Phoenix. The program includes the presentation of the E-Week awards and guest speaker. *Business Formal is the recommended attire for this event.*

For information on all of these events and how to sign up please visit, www.eweek-phx.org
You can also visit Engineers Week at the national website, www.eweek.org.

Thanks to all of the 2009 sponsors for making last year such a success. We look forward to your continued support this year. Feel free to spread the word about E-Week to others whom you feel would be interested.

Sincerely,

Cristi Thomas, P.E. • Co-Chair E-Week Committee • (480) 212-4200 • cthomas@larsonengr.com
Sarah Smedley, P.E. • Co-Chair E-Week Committee • (602) 458-9269 • ssmedley@aztec.us

**Greater
Phoenix
Area**

Because we are sensitive to today's economy, we have continued our substantial reduction in this year's sponsorship levels. We appreciate your past and continued support of the E-Week events. Your sponsorship helps with our education outreach program as well as support of Engineer's Day at the Science Center.

Sponsorship Level	Financial Contribution	Recognition
Platinum <input type="checkbox"/>	\$600	<ul style="list-style-type: none"> • Sponsor recognition at all E-Week events • Recognition in all publications/website • 8 tickets to the Awards Reception • 10 tickets to Engineers Day at the Science Center
Gold <input type="checkbox"/>	\$300	<ul style="list-style-type: none"> • Sponsor recognition at all E-Week events • Recognition in all publications/website • 4 tickets to the Awards Reception • 5 tickets to Engineers Day at the Science Center
Silver <input type="checkbox"/>	\$150	<ul style="list-style-type: none"> • Recognition in all publications/website • 2 tickets to the Awards Reception • 4 tickets to Engineers Day at the Science Center
Individual Ticket <input type="checkbox"/>	\$60	<ul style="list-style-type: none"> • Ticket to the Awards Reception
